

SCI – Cooplok Grooved Couplings, Fittings & Valves, Forged Carbon Steel Fittings, Stainless Steel Fittings and Nipples, Swage Nipples, Bull Plugs, Pipe Nipples, Malleable Iron Threaded Fittings, General Service bronze, stainless, carbon, forged, and cast steel valves

Anvil – Malleable and Cast Iron Fittings, Unions and Flanges; Seamless and Welded Steel Pipe Nipples; Steel Pipe Couplings; Universal Anvilets; Forged Steel Fittings and Unions; Pipe Hangers and Supports; Threaded Rod; and Engineered Hangers

Gruvlok – Couplings for Grooved and Plain-end Fittings, Butterfly Valves and Check Valves; Flanges; Pump Protection Components; Pipe Grooving Tools; as well as Copper and Stainless Steel System Components

ABZ Valve – Butterfly valves, pneumatic and electric actuators, actuation accessories & dual door wafer check valves. ABZ is an industry trusted source for shutoff isolation valves & automated valve solutions for use in general purpose to the most demanding applications.

Quadrant – Floating ball valves, resilient seated butterfly valves, actuators, & actuation accessories. Quadrant valves delivers field proven, reliable shutoff isolation valves & automated valve solutions for industrial markets.

Sharpe Valves – Precision valve solutions including ball, gate, globe, check, butterfly, and control valves, available in a variety of materials and valve automation

Norriseal Wellmark – Liquid Level Controllers, Liquid Level Switches, Liquid Level Gauges, Liquid Level Transmitters, Chambers and Domes, Control Valves, Pressure Controllers, Pressure Regulators, Check Valves, Butterfly Valves

BelGas Flame Management – Inline Flame and Flash Arrester, Threaded and Flanged, Fuel Air Mixers, Burner Nozzles, Pilot Assembly, Burner Housing Units

GWC Italia – GWC is a fully licensed API 6D monogram ball valve manufacturer. With domestic and import manufacturing facilities. Complete with Flange Floating and Trunnion Mounted Ball Valves, Flanged Check, Gate, and Globe Valves. GWC history of excellence speaks is supported by and extensive global AML acceptance

NOV Completion & Production Solutions – Stuffing Boxes, Rod Rotators, Dome, Cone & V-Ring Packing, BOP's, Polish Rod Clamps, Lubricator, Stuffing Box Clamps, Tubing Rotators, Pumping Tees, Unions, Magnum Needle Valves, Ball Valve, Casing Heads & Tubing Heads

NOV Midstream – YALE Closures: Sentry, Yale Safe clamp, Yale Figure 500, Y-2000 Clamp & Accessories, Pig Signals

PCC Pollution Control Corp. – F8 Plus & Max Trapper, Bird Cones 4" through 26", Chemical Drum Container for Drum Rack, Chemical Drum or Chemical Pump, De-Hy Unit, Containment Trays, Pig Catchers, Containment Sump & Load Line Containment 2" through 4" 3 Gal to 29 Gal

Kenco – Liquid Level Gauges, Drum Gauges, Oil Level Controllers, Reflex Gauge, Sight Flow Indicators

Cactus Flow Products – Positive and Adjustable Chokes ranging from 2,000 to 15,0000, Choke Beans, Choke Replacement Parts

Tulsa Pig Valve – Pig Valves: By-Pass, Launcher, Receiving and Launcher with Baffle

Tylok – Single and Double Ferrule Tube Fittings, Pipe Fittings, Ball Valves, Needle Valves, Plug Valves, Quick Connects, Check Valves, Hose & Connectors

Forum – Aluminum Bronze Gate Valves: LP and 8 RD EUE Threaded, Flanged, 1" and 2" Threaded In Line Chokes, Gravity Ball Check, Flow Tee's, Y-Strainers, 8 RD EUE Aluminum Bronze Ball Valves, Inline Checks

Kengro – Premium Organic, Oil Absorbent Bioremediation Agent, Adsorbent /Filtration Media, Well Mat Kit, Bio Sorb, Delta-Dri, Socks, Booms, Bilge Socks & Pillows

Step-Ko Products – Flange Installation/Isolation Kits, Critical Service Gaskets, Coated U Bolts, Monolithic Insulating Joints, Flange Protection

PIC Gauges – Pressure Gauges, Diaphragm Seal, Bimetal Thermometers, Thermowells, RTD, Thermocoupler, Needle Valves: Mini, Angle, Block & Bleed & Multi-Port, Baumer: Pressure Gauges, Transmitters, Switches, Seals & Accessories

Optibelt – Aramid Banded V-Belts, Blue Power, Single V-Belts, Red Power 3, Single, Red Power 3, Banded, VB, SK, KB, HVAC Power, Super X-Power, Super TX, OMEGA Fan Power for Pump Jacks, Mud Pumps, Diesel Engines, Compressors, Ventilation Fans and Pumps

Northwest Cathodic – Full Anode Line for Onshore Structures, Produced Water Vessels and Tanks

Pueblo Energy Products – Gravity Ball Checks, Swing Check Valves, Compression Couplings, Flow Control Throttling Valve, Compression Male Adapters, Spring Ball Check Valves, Injection Strainers, Gauge Cocks, Inline Check Valves, Injection Tee, BTC Gate Valves, Plumb Weight for Oil Tank, Tank Hatch, Trunnion Assembly, Back Pressure Regulators, Dump Valves, Treater Valves, Inline Adjustable Disc Type Chokes
